The Kolar Mkt. Board have resolved to levy a fee of 1 a. per head of sheep and goats, and 2 as per head of cattle, slaughtered in the new slaughter-house. The same rates are also charged in the levies in Jamalur, Bangalore City, the fee is 2 as per head of sheep; no rate is levied for other cattle, as there is no building provided for slaughtering them; but the fee in the C.K.M. Station appears to be 2 as.

The Office has no information about the rates levied in the other Districts. This can be ascertained if directed. (I have noticed delay of this in sending for reports).

Sir.

In continuation of this Office No 290 of 30th May last, I have the honor to report that on the representation of the Butchers the Board have reduced the slaughter fees from annas 3/- to annas 2/- per head of sheep or goat slaughtered at the Slaughter House. Pending sanction of Government the fee viz. 2annas per head is now being levied.

A Copy of the Resolution of the Board is submitted. There

was a diversity of opinion as regards the rate as will be seen from the proceedings enclosed.

I think for myself that the original decision that the same rate as obtains in the Civil and Military station should be levied, was the right one. The only ob-jection urged against it was that the consumption at the City was less but I fail to see how that could affect the question of the fee. However the compromise decided on is a step in the right direction and I recommend that it may be sanctioned.

Sir,

I have the honor to request that sanction of Government may be obtained to an increased rate of license fee of Rs. being levied on Butcher's stalls outside the City Mutton market

At present a license fee of Rs 3/ per stall is being levied as per late Chief Commissioner's Notification No: 21 dated 27th September 1879 but this is too small a rate considering the profit the stall-keeper

stall Keepers ——————— derive. Moreover the No: of scattered shops require expensive supervision which justifies higher fee. The Resolution of the Board dated 30th October/94 in the matter is enclosed Under a mis-conception that the right of selling mutton in these stalls which are 17, the right was put up to auction and fetched Rs 903/4/- I did not of course confirm the sale as the sale of mutton not being a monopoly we have no right to sell it. I mention this only to show that the proposed rate is not too high.

Sir,

I beg to submit herewith a copy of letter No. 29 of the 20th September 1898 from the Special Magistrate of the Kolar Gold Fields stating that he has selected a site at Doregam for holding the weekly fair and soliciting sanction to construct a slaughter house there at a cost of 700 Rupees in anticipation of the submission of a plan and estimate therefor. I beg to be informed early if permission may be given to have the slaughter house built in anticipation of the submission of a plan and estimate for it.

2. A separate reference will be made about the payment of compensation for the land taken up for holding the fair.

Sir,

I have the honor to bring to your notice that I have selected a suitable site for the Borgaum shandy in conjunction with the Amildar and Dr. O'Donnell and which I believe you have approved of. As the site belongs to one Kahi Moonisappa and the Shanbhog of Borgaum and is a portion of the land to be saved for the new township that the site be immediately ap-

and handed over to me.

2. I further desire to point out that at the weekly shandy held every Sunday - about 20 head of cattle and that 50 sheep are slaughtered within a few feet of the Shandy in presence of hundreds of people of all castes and nationalities and the offal thrown about and the meat exposed for sale on the ground. This is most objectionable and abominable from every point of view and the late Deputy Commissioner Mr. Rangasami Iyengar who saw the cows horns be: lying about, requested me verbally to at once put up a slaughter-house, but as I have no funds sanctioned for the purpose, I am unable to carry out this direction. I request that you kindly obtain the immediate sanction of Government to erect a suitable slaughter house near the shandy site in anticipation of the estimate which I will send up with plan. The cost will not exceed 700 Rupees and may be much

-less. As the next shandy will be on Sunday the 25th. Instant and I desire to have the place ready by that time. I beg that Government may be wired to for sanction which may be communicated to me by wire. A small fee of 2 annas for each head of cattle and one anna. for each sheep may be sanctioned which will pricorp the amount lay on the slaughter house

I have &c.

The Secretary to the
Govt of Mysore
Rev. & Genl. Departments.

Sir:—.

With reference to your docket no: 11537/43-93 dated 14th Ultimo and reminder docket no: 13430/43 93 dated 17th Ultimo, I have the honor to state that the butchers in Kolar Town sell their meat in stalls constructed by the Municipality within the Municipal market. There are at present (12) twelve stalls of which only (6) six are in use at present.

2. They each pay a Mohatarfa tax of Rs 4/- per annum. In addition to this they also pay stall rents viz. 3 men each at —12— per month and the other three men at —8— each per month.

3. The proposed tax of two annas per head of sheep even with the rent and Mohatarfa which is continued from time immemorial would I consider double the Revenue. Moreover the proposed rate of two annas is not a new tax but already sanctioned vide late Chief Commissioners Pro: no 3362-73 Munpl ¼61 dated 27th September 1879 - please see pages 167 & 168 of the Mysore Revenue Manual of 1886.
